Champions Program

The Champions Program has added value with an unlimited attendance time of Tuesday, Thursday, Saturday, and Sunday Match Play. This allows juniors flexibility to attend two, three, or four times per week all for the same fee. The fitness component on Monday and Wednesday at 5:30 is also included! The Elite Program continues to be six days per week. The Champions Program is designed for the player willing to make a year round commitment to tennis with goals of college, varsity level high school and middle school. The program continues to include complimentary "walk-on" court time with family members and others in the program.
